Do to unforeseen matters that came up, Councilman Fleming, the Author of one of the ordinances could not be here today. In light of that, it was suggested to the Committee that they adjourn this Committee Meeting and reconvene at a time to be determined later by the Committee collectively to take up these matters and attempt to move an Ethics Ordinance out of this Committee and on to the full Body.

President Tandy stated in light of there being no Committees next week, it is his intent to get the Authors of the ordinances and any other parties together to talk around a table and try to come together to some consensus to the extent that they can. Those items that need to be worked out in a larger forum will be done. Then the Committee will vote on a proposed combined Council ordinance dealing with Ethics for the May 14 Council Meeting.
